[redacted] came by. He said that the "MAG replacement paper" was en route to us and he wanted to suggest that the individual be alerted to the fact that he has been designated as a representative before OS contacts him re clearances.

STAT I told [redacted] I would locate the paper, add this note, and give it to you. The approved paper apparently has not yet arrived but the attached was being held in the Registry pending receipt of approval.

I'm really not positive this is what Mr. [redacted] was referring to. Could there be another paper? What do you think?
